## ABOUT ME

Currently in Third Year pursuing Bachelor of Engineering in Information Technology, I am a dedicated student and passionate web developer. Proficient in HTML, CSS, JavaScript, React, and Node.js, I create dynamic and user-friendly web solutions. As a collaborative team player, I embrace challenges and constantly seek opportunities to learn and grow.

## EDUCATION

*Vidyavardhini's College of  
Engineering and Technology*  
BE in IT  
2021-2025

*Thakur Vidya Mandir*  
HSC - 91.00%  
2019-2021

*John XXIII High School*  
SSC - 82.80%  
2013-2019

## SKILLS

### Languages :

JavaScript  
Python  
C / C++

### Tools :

Github  
MYSQL

### Framework :

React JS  
Next JS

### Database :

MongoDB  
SQL

### Technologies :

HTML  
Tailwind CSS  
Bootstrap

## EXPERIENCE

### *Nuevera Infotech*

Full Stack Developer

July 2023 - October 2023 | Remote

- Developed interactive web application
- Utilized HTML and Tailwind CSS for frontend development
- Used MERN (MongoDB, Express js, React JD, Node js) for full stack development.

## PROJECTS

### *Notes Sharing Application*

Node JS | Express JS | React JS | Mongo DB | AWS

- Developed interactive web application for note sharing used by my classmates
- Utilized AWS for note storage, MongoDB as the database, and implemented Node.js and Express.js on the backend. The frontend was built using React.js, with styling done using Tailwind CSS. Implemented OAuth for Google authentication
- Integrated the GitHub API to fetch user repositories

### *Entrepreneurs Connect*

Node JS | Express JS | React JS | Mongo DB | AWS

- Developed interactive web application for connecting Entrepreneurs
- Utilized AWS for note storage, MongoDB as the database, and implemented Node.js and Express.js on the backend. The frontend was built using React.js, with styling done using Tailwind CSS.

## ACHIEVEMENTS

### WINNER, VCET NATIONAL LEVEL PROJECT SHOWCASE - 2023

Showcased our Note Sharing Application.

### RUNNER-UP, CODE-O-FIESTA - 2023

Participated in a coding project development competition.

### RUNNER-UP, OSCILLATION - 2023

Participated in a technical paper presentation competition

### RUNNER-UP, Innov8 - 24 Hours Hackathon

Treasurer - C3 (Core Coding Club)

Deputy Secretary - CSI Committee

Deputy Tech Head - VCET Hackathon
